Take the FCPS School Quality and Perceptions Survey

Everyone has a voice in Frederick County Public Schools. That's why we're asking parents and guardians, school-based staff, and students in grades 5-12 to share their candid feedback through our School Quality and Perceptions Survey which will be conducted March 19-April 6.

The survey will ask for feedback on school quality, student and academic support, safety and behavior, school leadership, family involvement, and more. The results will help us determine how well we have addressed the areas for improvement identified through the 2016 School Quality and Perceptions Survey as well as our current strengths and areas in need of focus.

Frederick County Public Schools has partnered with independent research and communications firm K12 Insight to administer the survey and compile the results. Your responses are strictly confidential and anonymous.

Please check your email for an invitation and link to the survey later this month. You will also be able to access the survey through the school division's website. Students will take the survey at school. Paper surveys will be available in the school office.

March 7---Spring Sports Picture Day

Tickets will also be available at the concession stand of all home events.

Library News

In January, the Literacy Committee and Library launched a One School, One Book literacy initiative using the book *No Summit Out of Sight* by Jordan Romero. Approximately 1,500 books were distributed so that each student and staff member received their own personal copy. Everyone has been encouraged to read this amazing story of how Jordan climbed the tallest mountain on each continent by the time he was just 15 years old. In addition, there have been discussion groups hosted by teachers and students each day that everyone is welcome to participate in. We've also encouraged online participation through Google Classroom discussions and even holding our first Twitter chat.

Now for the extra-exciting news! March 29 has been reserved as No Summit Out of Sight Day! On this special day the goal is that all classes will incorporate the book into their lessons somehow on that day. There will also be A LOT of opportunities for hands on experiences with hiking and mountain climbing throughout the day. Everyone is encouraged to come dressed like hiker on this day. This, and many other special activities, are designed to engage our students in meaningful literacy experiences and build excitement as we look forward to Jordan's arrival here in June to speak at graduation!

Afterwords, James Wood's award-winning creative arts magazine, will be holding the annual Drop Party on Thursday, April 26, during last block. The magazine is distributed free to all students (first-come, first-served) at the Drop Party and during lunches on the following school day. The cost to attend the Drop Party is \$3 for students to help cover the cost of food for the party. Friends and fans of the published artists and authors may obtain autographs after the brief reading of works from this edition and accompanying videos. Please direct any questions about the Drop Party or *Afterwords* to Mrs. Lancaster at lancastr@fcpsk12.net
